Respondent's Position Summary: "The bill was paid according per Section 3134 of the Affordable Care Act...;"

Response Submitted by: Sedgwick

SUMMARY OF FINDINGS

Table with 4 columns: Dates of Service, Disputed Services, Amount in Dispute, Amount Due. Row 1: August 20 - 30, 2019, Outpatient therapy services, \$77.09, \$0.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the reimbursement guidelines for outpatient hospital services.
3. 28 Texas Administrative Code §134.203 sets out the reimbursement guidelines for professional medical services.
4. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- P12 - Workers compensation jurisdictional fee schedule adjustment
- 59 - Processed based on multiple or concurrent procedure rules

- 193 – Original payment decision is being maintained

Issues

1. Is the carrier’s reduction of payment supported?
2. Is the requestor entitled to additional reimbursement?

Findings

1. The requestor is seeking additional reimbursement for outpatient therapy services performed in August 2019. The carrier reduced the allowed amount based on the workers compensation fee schedule and Medicare multiple procedure reduction rule.

28 TAC 134.403 applies to outpatient hospital services. Section (h) requires when Medicare reimburses using other Medicare fee schedules, reimbursement is made using the applicable Division Fee Guideline in effect for that service on the date was provided.

The applicable DWC fee guideline for physical therapy is 28 TAC §134.203 (b) (1) which requires the application of Medicare payment policies applicable to professional services. The insurance carrier’s reduction of payment is supported.

The Medicare multiple procedure payment reduction (MPPR) applies to the Practice Expense (PE) of certain time-based physical therapy codes when more than one unit or procedure is provided to the same patient on the same day.

The MPPR policy allows for full payment for the unit or procedure with the highest Practice Expense (PE) payment factor and for subsequent units the Practice Expense (PE) payment factor is reduced by 50 percent.

Review of the submitted medical bill provided indicates that six procedures were billed by the health care provider. In order to determine the MPPR allowable, the services provided are ranked by their PE expense shown below.

Code	Practice Expense	Allowed Amount	Medicare Policy
97110	0.4	\$30.31/\$23.55	Highest except on August 12 and 28, 2019
97112	0.47	\$34.48/\$26.54	Highest on August 28, 2019
97140	0.35	\$21.70	
97161	1.15	\$83.56	Highest on August 12, 2019
G0283	0.21	\$10.32	

The *MPPR Rate File* that contains the payments for 2019 services is found at <https://www.cms.gov/Medicare/Billing/TherapyServices/index.html>.

- MPPR rates are published by carrier and locality.
- The services were provided in Rockwall, Texas.
- The carrier code for Texas is 4412 and the locality code for Rockwall is 99.

The following formula represents the calculation of the DWC MAR at §134.203 (c)(1) & (2).

$$(DWC \text{ Conversion Factor} \div Medicare \text{ Conversion Factor}) \times Medicare \text{ Payment} = MAR$$

Applicable 28 TAC 134.203(h) states that the total reimbursement is the lesser of the maximum allowable reimbursement (MAR) and the billed amount.

Date of Service	Code	Units	Medicare Payment	DWC Conversion Factor divided by Medicare Conversion Factor or $59.19 \div 36.0391 = 1.64$	Billed Amount	Lesser of MAR and billed amount
August 28, 2019	97110	3	\$23.55	$\$23.55 \times 1.64 \times 3 = \115.87	\$487.50	\$115.87
August 20, 2019	97140	1	\$21.70	$\$21.70 \times \$21.70 = \$35.59$	\$146.25	\$35.59
August 21, 2019	97140	1	\$21.70	$\$21.70 \times 1.64 = \35.59	\$146.25	\$35.59
August 26, 2019	97140	1	\$21.70	$\$21.70 \times 1.64 = \35.59	\$146.25	\$35.59
August 28, 2019	97140	1	\$21.70	$\$21.70 \times 1.64 = \35.59	\$146.25	\$35.59
August 30, 2019	97140	1	\$21.70	$\$21.70 \times 1.64 = \35.59	\$146.25	\$35.59
August 20, 2019	G0283	1	\$10.32	$\$10.32 \times 1.64 = \16.92	\$122.75	\$16.92
August 21, 2019	G0283	1	\$10.32	$\$10.32 \times 1.64 = \16.92	\$122.75	\$16.92
August 28, 2019	G0283	1	\$10.32	$\$10.32 \times 1.64 = \16.92	\$122.75	\$16.92
Total						\$344.58

2. The total allowable DWC fee guideline reimbursement is \$344.58. The insurance carrier paid \$345.10. No additional payment is recommended.

Conclusion

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. The amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
