FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes
- 28 Texas Administrative Code §134.503 sets out the reimbursement for compound medications
- Neither party submitted any explanation of benefits to support the denial/reduction of payment for the disputed services.

Findings

The Division makes the following conclusions based upon the information and documentation presented to the Division to date. Even though all the evidence was not discussed, it was considered.

Did the carrier reimburse Memorial for the disputed services?

Memorial Compounding Rx (Memorial) asserts that the carrier has not paid for the service in dispute. Review of the provided payment history finds that the carrier issued a payment in the amount of \$204.14 to Memorial on March 16, 2020.

The Division concludes that the carrier reimbursed Memorial for the full disputed amount.

For that reason, the Division moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

Conclusion

The Division concludes that Memorial has already been paid for the service in dispute. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, and pursuant to Texas Labor Code Section 413.031, the division has determined that the requestor is not entitled to additional reimbursement for the services in dispute.
