#### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

#### **Background**

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §133.20 sets out requirements of medical bill submission.
- Texas Labor Code 408.0272 sets out the workers compensation timely billing and exceptions guidelines.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
  - 29 – The time limit for filing has expired

**Issues**

Is the insurance carrier’s reason for denial of payment supported?

**Findings**

The requestor is seeking \$4,678.42 for outpatient hospital services rendered February 25, 2019. The insurance carrier denied disputed services with claim adjustment reason code 29 – “The time limit for filing has expired.” 28 TAC §133.20 (b) states in pertinent part a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided unless documentation supports an erroneous claim was filed to a group accident and health insurance plan, a health maintenance organization or a workers’ compensation carrier other than the carrier liable for the payment of benefits.

Review of the submitted documentation found insufficient evidence to support one of the exceptions found above. The insurance carrier’s denial is supported.

**Conclusion**

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. As a result, the amount ordered is \$0.00.

***ORDER***

In accordance with Texas Labor Code Section 413.031 and 413.019 (if applicable) and based on the submitted information, DWC finds the requestor is not entitled to additional reimbursement. DWC hereby ORDERS the respondent to remit to the requestor \$0.00, plus accrued interest per Rule §134.130, due within 30 days of receipt of this order.
