Respondent's Position Summary: None submitted.

SUMMARY OF FINDINGS

Table with 4 columns: Dates of Service, Disputed Services, Amount in Dispute, Amount Due. Row 1: August 13, 2019, Oral Medication, \$157.07, \$52.59

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.

Issues

What rule(s) apply to disputed services?

Findings

The requestor is seeking reimbursement for oral medication dispensed August 13, 2019. The insurance carrier did not respond with evidence of adjudication for this date of service. The service will be reviewed per applicable fee guideline.

28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs: $((\text{AWP per unit}) \times (\text{number of units}) \times 1.25) + \4.00 dispensing fee per prescription = reimbursement amount

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Acetaminophen	0536117201	G	\$0.035	60	$\$0.035 \times 1.25 \times 60 = \2.69	\$59.65	\$2.69
Gabapentin	678770223005	G	\$1.33	30	$\$1.33 \times 1.25 \times 30 = \49.90	\$97.42	\$49.90
							\$52.59

The total reimbursement is \$52.59. This amount is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$52.59.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$52.59, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
