### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
  - 273 – Coverage/program guidelines were exceeded
  - R16 – Procedure code billing restricted/once per claim

**Issue**

Did the requestor waive the right to medical fee dispute resolution?

**Findings**

The requestor is seeking reimbursement of physical therapy services rendered in November 2018. 28 TAC §133.307(c)(1) states a request for medical fee dispute resolution that does not involve compensability, extent of injury, liability, medical necessity or a refund shall be filed no later than one year after the date(s) of service in dispute.

The date of the service in dispute is November 20, 2018. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on March 3, 2020.

This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307, subparagraph (B). DWC concludes that the requestor has failed to timely file this dispute with DWC’s MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

**Conclusion**

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. As a result, the amount ordered is \$0.00.

**ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, DWC has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
