FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.530 sets out the preauthorization requirements for pharmaceutical services.
- The insurance carrier denied payment for the disputed based on preauthorization.

Issues

Is Memorial Compounding Rx (Memorial) entitled to reimbursement for the drug in question?

Findings

Memorial is seeking reimbursement for Pregabalin 100 mg capsules dispensed on November 20, 2019. The insurance carrier denied payment based on preauthorization.

Preauthorization is only required for:

- drugs identified with a status of “N” in the current edition of the ODG Appendix A¹;
- any prescription drug created through compounding prescribed before July 1, 2018 that contains a drug identified with a status of “N” in the current edition of the ODG Appendix A, and any updates;
- any prescription drug created through compounding prescribed and dispensed on or after July 1, 2018; and
- any investigational or experimental drug.²

The DWC finds that a form of Pregabalin has a status of “N” in the current edition of the ODG Appendix A. Memorial provided no evidence to refute this status. Therefore, the DWC finds that the drug in question required preauthorization. No evidence was submitted to support that preauthorization was requested or obtained before dispensing the drug.

The DWC concludes that Memorial is not entitled to reimbursement for this dispute.

Conclusion

For the reasons stated above, the DWC finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the DWC hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
