Response Submitted by: Injury Management Organization, Inc

SUMMARY OF FINDINGS

| Dates of Service | Disputed Services | Amount in Dispute | Amount Due |
|-------------------|-------------------|-------------------|------------|
| December 20, 2019 | Oral medication | \$280.00 | \$0.00 |

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - P12 – Workers' compensation jurisdictional fee schedule adjustment

Issues

What rule(s) apply to disputed services?

Findings

The requestor is seeking reimbursement for oral medication dispensed in December 2019. The insurance company provided no evidence of adjudication. The service in dispute will be reviewed per applicable fee guideline.

28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \4.00 dispensing fee per prescription = reimbursement amount;
- Brand name drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.09) + \4.00 dispensing fee per prescription = reimbursement amount;

| Drug | NDC | Generic(G) /Brand(B) | Price /Unit | Units Billed | AWP Formula | Billed Amt | Lesser of AWP and Billed |
|-----------------|-------------|----------------------|-------------|--------------|-------------|------------|--------------------------|
| Omeprazole | 62175011843 | G | 3.37 | 15 | \$63.25 | \$108.10 | \$63.25 |
| Cyclobenzaprine | 69097084615 | G | 1.09 | 30 | \$40.93 | \$90.25 | \$40.93 |
| Ibuprofen | 67877032105 | G | 0.80 | 30 | \$30.18 | \$81.65 | \$30.18 |
| | | | | | | | \$134.36 |

The total reimbursement is \$134.36. The insurance carrier provided evidence of a payment of \$146.36. No additional payment is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
