FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - CAC-29 – The time limit for filing has expired.
 - 731 – Per 133.20(b) provider shall not submit a medical bill later than the 95th day after the date the service.

Issues

Is Paris Signature Home Health entitled to reimbursement for the services in question?

Findings

Paris Signature Home Health is seeking reimbursement for home health services for dates of service June 30, 2019 through August 28, 2019. A health care provider is required to submit a medical bill to the insurance carrier or its agent within 95 days from the date of service with few exceptions.¹

Texas Mutual Insurance Company denied the services in question stating that the time limit for filing had expired. The insurance carrier provided documentation that supports that it received the initial bill on December 23, 2019. This is more than 95 days after all dates of service in question. The DWC finds that no reimbursement is recommended for the services in question.

Conclusion

For the reasons stated above, the DWC finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the DWC hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
