FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
3. The submitted documentation does not included explanations of benefits.

Issues

1. Did Employers Assurance Company respond to the medical fee dispute?
2. Did Employers Assurance Company take final action on the bill for the service in question prior to the request for medical fee dispute resolution (MFDR)?
3. Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement for the drug in question?

Findings

1. The Austin carrier representative for Employers Assurance Company is the Law Office of Ricky D. Green. The representative was notified of this medical fee dispute on July 21, 2020. If the DWC does not receive the response within 14 calendar days of the dispute notification, then the DWC may base its decision on the available information.¹

As of today, no response has been received from the insurance carrier or its representative. We will base this decision on the information available.

2. Memorial is seeking reimbursement for Duloxetine HCl 30 mg capsules dispensed on March 10, 2020. Memorial argued that it had not received payment or an explanation of denial for medical bills submitted for the examination in question.

The insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.²

The greater weight of evidence presented to the DWC supports that a complete bill for the services in question was received by the insurance carrier or its agent. No evidence was provided to support that the insurance carrier took final action on the bill for the service in question.

3. Because Employers Assurance Company failed to provide any defense of non-payment for the service in this dispute, the DWC finds that Memorial is entitled to reimbursement.

The reimbursement considered in this dispute is calculated as follows³:

- Duloxetine HCl 30 mg capsules: $(7.541 \times 60 \times 1.25) + \$4.00 = \$569.58$

The total allowable reimbursement is \$569.58. Memorial is seeking \$509.96. This amount is recommended.

Conclusion

For the reasons stated above, the DWC finds that the requester has established that additional reimbursement is due. As a result, the amount ordered is \$509.96.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the DWC has determined the requester is entitled to additional reimbursement for the disputed services. The DWC hereby ORDERS the respondent to remit to the requester \$509.96, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
