FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 309 – The charge for this procedure exceeds the fee schedule allowance.
 - 4160 – An allowance has been paid for a designated doctor examination as outlined in 134.204(j) for attainment of maximum medical improvement. An additional allowance is payable if a determination of the impairment caused by the compensable injury was also

- P12 – Workers’ compensation jurisdictional fee schedule adjustment.
- 18 – Exact duplicate claim/service
- 247 – A payment or denial has already been recommended for this service.

Issues

1. Did El Paso ISD respond to the medical fee dispute?
2. Is Daniel Lerma, D.C. entitled to additional reimbursement for the examination in question?

Findings

1. The Austin carrier representative for El Paso ISD is Downs Stanford, PC. The representative was notified of this medical fee dispute on July 21, 2020. If the DWC does not receive the response within 14 calendar days of the dispute notification, then the DWC may base its decision on the available information.¹

As of today, no response has been received from the insurance carrier or its representative. We will base this decision on the information available.

2. The submitted documentation supports that Dr. Lerma performed an evaluation of maximum medical improvement as ordered by the DWC. The maximum allowable reimbursement (MAR) for this examination is \$350.00.²

The submitted documentation supports that Dr. Lerma provided an impairment rating, which included a musculoskeletal body area, performing a full physical evaluation with range of motion of the lumbar spine. Reimbursement is \$300.00 for the first musculoskeletal body area if a full physical evaluation with range of motion is performed.³

The total allowance for the examination in question is \$650.00. The insurance carrier paid \$350.00. An additional reimbursement of \$300.00 is recommended.

Conclusion

For the reasons stated above, the DWC finds that the requester has established that additional reimbursement is due. As a result, the amount ordered is \$300.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the DWC has determined the requester is entitled to additional reimbursement for the disputed services. The DWC hereby ORDERS the respondent to remit to the requester \$300.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
