FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.203 sets out the guidelines for professional services.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - P12 – Workers' Compensation State Fee Schedule Adj
 - P14 – Payment is included in another svc/procedure occurring on same day

- RP3 – CMS statutory exclusion/svc not paid to physicians

Issues

Is the insurance carrier's denial of payment supported?

Findings

The requestor is seeking reimbursement of professional medical services rendered May 14, 2020 of \$35.60. The insurance carrier denied the disputed service as statutory exclusion and included in another service.

28 TAC §134.203 (b) (1) states in pertinent part for coding, billing, reporting, and reimbursement of professional medical services, Texas workers' compensation system participants shall apply the Medicare payment policies, including its coding; billing; correct coding initiatives (CCI) edits; modifiers.

Review of the disputed code A9575 found it has a status code of X or stator exclusion. The insurance carrier's denial is supported. No payment is recommended.

Conclusion

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
