September 15, 2020

REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "Memorial Compounding has provided service and met all requirements to receive reimbursement."

Amount in Dispute: \$193.10

RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "The Austin carrier representative for Indemnity Insurance Co of North America is Downs & Stanford, PC who was notified of this medical fee dispute on September 22, 2020. Rule §133.307(d)(1) states that if the division does not receive the response within 14 calendar days of the dispute notification, then the division may base its decision on the available information

As of today, no response has been received from the carrier or its representative. We therefore base this decision on the information available as authorized under §133.307(d)(1).

SUMMARY OF FINDINGS

Dates of Service	Disputed Services	Amount in Dispute	Amount Due
June 4, 2020	Oral medication	\$193.10	\$169.50

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - N3 (B20) – A reduction was made because a different provider has billed for the exact services on a previous bill.

Issues

What rule(s) apply to disputed services?

Findings

The requestor is seeking reimbursement for oral medication dispensed June 4, 2020. The insurance company denied the service stating another provider had billed and was paid for the service. The respondent submitted no position statement or EOBs to support the services had been previously paid. The service in dispute will be reviewed per applicable fee guideline.

28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \$4.00 \text{ dispensing fee per prescription} = \text{reimbursement amount};$

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Escitalopram	43547028210	G	4.52	30	\$169.50	\$193.10	\$169.50

The total reimbursement is \$169.50. This amount is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$169.50.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$169.50, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
