FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code (TLC) §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code (TAC) §133.307 sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:

Explanation of Benefit

- 234 – This procedure is not paid separately.
- R38 – Included in another billed procedure
- RP3 – CMS statutory exclusion/svc not paid to physicians
- P14 – Payment is included in another svc/procedure occurring on same day
- 29 – Time Limit for Filing Claim/Bill has Expired

Issues

- 1. Did the requestor waive the right to medical fee dispute resolution?

Findings

- 1. The requestor seeks reimbursement for medical services rendered on July 31, 2019. 28 TAC §133.307(c) (1) states in pertinent part, "Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section. (A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute."

The date of the services in dispute is July 31, 2019. The request for medical fee dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) Section on October 26, 2020. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in 28 TAC §133.307(c) (1) (B). The Division concludes that the requestor has failed to timely file this dispute with the Division’s MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of TLC §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
