AUTHORITY

This medical fee dispute is dismissed pursuant to 28 Texas Administrative Code §133.307(f)(3)(C).

Background

- 28 Texas Administrative Code (TAC) §133.307, effective May 31, 2012, sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 18-Exact duplicate claim/service.
 - 247-A payment or denial has already been recommended for this service.

- 54-Multiple physicians/assistants are not covered in this case.
- 98-Assistant surgeon services not warranted for this procedure.

Issue

Is the request for Medical Fee Dispute Resolution (MFDR) eligible for review in accordance with 28 TAC §133.307?

Findings

1. The requestor is seeking medical dispute resolution for professional services on June 24,2019.
2. 28 TAC §133.307(c)(1) states: "Timeliness. A requestor shall timely file the request with the DWC's MFDR Section or waive the right to MFDR. The DWC shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section. (A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute."

The DWC reviewed the submitted documentation and finds:

- The request for medical dispute resolution was received in MFDR on November 5, 2020.
- The disputed dates of service is June 24, 2019.
- The disputed services do not involve issues identified in §133.307(c)(1)(B).
- Date of service June 24, 2019 is past the one year deadline.
- Because the requestor did not file this dispute with MFDR within the one year deadline it is not eligible for MFDR.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute, as addressed in 28 Texas Administrative Code §133.307(c)(1) and (c)(1)(A). For that reason, the merits of the issues raised by the parties to this dispute have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the DWC has determined that the requestor is entitled to \$0.00 reimbursement for the services in dispute.
