Memorial Compounding Pharmacy

Respondent Name

Indemnity Insurance Co of North America

MFDR Tracking Number

M4-21-0405-01

Carrier's Austin Representative

Box Number 15

MFDR Date Received

November 9, 2020

REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "The Texas Labor Code Section 408.027 (b) requires that the carrier must pay, reduce, deny or determine to audit the health provider's claim no later than the 45th day after the date of receipt by the carrier. Memorial did not receive any correspondence as per Rule..."

Amount in Dispute: \$604.94

RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "The Carrier has submitted the bills in dispute for payment per the fee guidelines. A copy of the payment will be provided once issued."

Response Submitted by: Downs Stanford PC

SUMMARY OF FINDINGS

Dates of Service	Disputed Services	Amount in Dispute	Amount Due
July 30, 2020	Oral medication	\$604.94	\$540.55

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.

Issues

What rule(s) apply to disputed services?

Findings

The requestor is seeking reimbursement for oral medication dispensed July 2020. The insurance carrier states the claim had been reprocessed and payment was forthcoming.

Based on the documentation provided, DWC finds that there is insufficient evidence that the insurance carrier reimbursed the drugs in question or provided a reason for denial as required by 28 TAC §133.240(f). The service in dispute will be reviewed per applicable fee guideline.

28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \$4.00 \text{ dispensing fee per prescription} = \text{reimbursement amount};$

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Meloxicam	29300012410	G	3.168	60	\$237.65	\$247.62	\$237.65
Omeprazole	62175011843	G	30373	60	\$253.00	\$259.90	\$253.00
Gabapentin	67877022305	G	1.33	30	\$49.90	\$94.72	\$49.90
							\$540.55

The total reimbursement is \$540.55. This amount is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$540.55

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$540.55, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
