SUMMARY OF FINDINGS

Table with 4 columns: Dates of Service, Disputed Services, Amount In Dispute, Amount Due. Row 1: August 1, 2020, Designated Doctor Examination (99456-W5-WP), \$300.00, \$150.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- 309 - The charge for this procedure exceeds the fee schedule allowance.
- P12 - Workers' compensation jurisdictional fee schedule adjustment.
- 4150 - An allowance has been paid for a designated doctor examination as outlined in 134.204(j) for attainment of maximum medical improvement. An additional allowance is payable if a determination of the impairment caused by the compensable injury was also performed.

Issues

Is Jan Petrasek, M.D. entitled to additional reimbursement?

Findings

Dr. Petrasek is seeking additional reimbursement for a designated doctor examination performed on August 1, 2020. The insurance carrier indicated that, "An allowance has been paid for a designated doctor examination as outlined in 134.204(j) for attainment of maximum medical improvement. An additional allowance is payable if a determination of the impairment caused by the compensable injury was also performed."

Review of the submitted documentation finds that Dr. Petrasek performed an impairment rating evaluation of spine. The requestor did not present sufficient evidence that range of motion testing was performed. The MAR for the evaluation of a musculoskeletal body area determined using the DRE method is \$150.00.¹

The total reimbursement allowable for the denied portion of the disputed examination is \$150.00. This amount is recommended.

Conclusion

For the reasons stated above, the DWC finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$150.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the DWC has determined the requestor is entitled to additional reimbursement for the disputed services. The DWC hereby ORDERS the respondent to remit to the requestor \$150.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
