Response submitted by: Gallagher Bassett

SUMMARY OF FINDINGS

Dates of Service	Disputed Services	Amount in Dispute	Amount Due
November 12, 2020	Oral medication	\$259.90	\$253.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
3. 28 Texas Administrative Code §134.530 sets out the requirements of pharmacy prior authorization.

Issues

1. Is the insurance carrier’s denial supported?
2. What rule(s) apply to disputed services?

Findings

1. The requestor is seeking reimbursement for oral medication dispensed November 12, 2020. The insurance carrier denied the medication due to lack of authorization. 28 TAC §134.530 (b) states in pertinent part that preauthorization is only required for drugs identified with a status on “N” in the current edition of the ODG Treatmes’ Comp (ODG) / Appendix A. Review of Appendix A for the date of service in dispute found the medication, Omeprazole is not listed as a “N” drug. The insurance carrier’s denial is not supported, the service in dispute will be reviewed per applicable fee guideline.
2. 28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:
 - Generic drugs: ((AWP per unit) x (number of units) x 1.25) + \$4.00 dispensing fee per prescription = reimbursement amount;

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Omeprazole	62175011843	G	3.37	60	\$253.00	\$259.90	\$253.00

The total reimbursement is \$253.00. This amount is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$253.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$253.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
