FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes
2. 28 Texas Administrative Code §134.503 sets out the reimbursement for compound medications
3. Neither party submitted copies of EOBs with the DWC060 request.

Findings

The Division makes the following conclusions based upon the information and documentation presented to the Division to date. Even though all the evidence was not discussed, it was considered.

1. Did the carrier reimburse Memorial for the disputed services?

Memorial Compounding Rx (Memorial) asserts that the carrier has not paid for the service in dispute. The requestor seeks reimbursement in the amount of $106.72. Review of the payment screen provided by the insurance carrier supports that the insurance carrier issued a payment in the amount of $106.72.

The Division concludes that the carrier reimbursed Memorial for the full disputed amount. For that reason, the Division moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

ORDER

Based on the submitted information, and pursuant to Texas Labor Code Section 413.031, the division has determined that the requestor is not entitled to additional reimbursement for the services in dispute.
