FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the reimbursement guidelines for outpatient hospital services.
3. The insurance carrier reduced or denied the payment for the disputed services with the following claim adjustment codes:
    - 193 – Original payment decision is being maintained

- 97 – Payment adjusted because the benefit for this service is included in the payment/allowance for another service/procedure that has already been adjudicated
- 96 – Non-covered charge(s)

Issues

1. Is the insurance carriers' denial supported?

Findings

1. The requestor is seeking reimbursement for an outpatient visit that was denied by the insurance carrier as being bundled and non-covered.

   28 TAC §134.403 (d) requires Texas workers' compensation system participants when coding, billing, reporting and reimbursement to apply Medicare payment policies in effect on the date of service.

   The Medicare payment policy applicable to the services in dispute is found at www.cms.gov, Claims processing Manual, Chapter 4, Section 10.1.1. Specifically, Payment Status Indicators and Ambulatory Payment Category (APC).

   Review of the disputed code found the status indicator is listed as "B". This status indicator is defined as, "Codes that are not recognized by OPPS when submitted on an outpatient hospital Part B bill, Not paid under OPPS."

   The insurance carriers' denial is supported. No additional payment is recommended.

Conclusion

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. As a result, the amount ordered is $0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to $0.00 additional reimbursement for the services in dispute.
