FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - P12 – Workers' compensation jurisdictional fee schedule adjustment.
 - 309 – The charge for this procedure exceeds the fee schedule allowance.

- 193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.
- 00950 – This bill is reconsideration of a previously reviewed bill, allowance amounts reflect any changes to the previously payment.

Issues

1. Did Southeastern Freight Lines, Inc. respond to the medical fee dispute?
2. Is Rafath Quraishi, M.D. entitled to additional reimbursement?

Findings

1. The Austin carrier representative for Southeastern Freight Lines, Inc. is Gallagher Bassett Services. The representative was notified of this medical fee dispute on May 11, 2021. If the DWC does not receive the response within 14 calendar days of the dispute notification, then the DWC may base its decision on the available information.¹

As of today, no response has been received from the insurance carrier or its representative. We will base this decision on the information available.

2. Dr. Quraishi is seeking additional reimbursement for an examination to determine maximum medical improvement and impairment rating.

The submitted documentation supports that Dr. Quraishi performed an evaluation of maximum medical improvement. The maximum allowable reimbursement (MAR) for this examination is \$350.00.²

The submitted documentation supports that Dr. Quraishi provided an impairment rating of the lumbar spine, using the DRE method. The MAR for the evaluation of a musculoskeletal body area determined using the DRE method is \$150.00.³

The total allowable amount is \$500.00. The insurance carrier paid \$350.00. An additional reimbursement of \$150.00 is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered. For the reasons stated above, the Texas Department of Insurance, Division of Workers’ Compensation (DWC) finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$150.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the DWC has determined the requestor is entitled to additional reimbursement for the disputed services. The DWC hereby ORDERS the respondent to remit to the requestor \$150.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
