#### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.

**Issues**

What rule(s) apply to disputed services?

**Findings**

The requestor is seeking reimbursement for oral medication dispensed in February 2021. The insurance carrier responded to the notice of MFDR that re-audit had determined zero money was due. The insurance carrier did not submit evidence of payment or denial via an explanation of benefits to support their response. The service in dispute will be reviewed per applicable fee guideline.

28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs:  $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \$4.00 \text{ dispensing fee per prescription} = \text{reimbursement amount};$

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Amitriptyline	00603221432	G	1.05	30	\$43.59	\$89.17	\$43.59
Tizanidine	55111018010	G	1.46	30	\$58.94	\$101.45	\$58.94
Gabapentin	67877022305	G	1.33	90	\$153.70	\$177.26	\$153.70

The total reimbursement is \$256.23. This amount is recommended.

**Conclusion**

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$256.23.

***ORDER***

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$256.23, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
