

Medical Fee Dispute Resolution Findings and Decision

General Information

Requestor Name

Memorial Compounding
RX

Respondent Name

Safety National Casualty Corp

MFDR Tracking Number

M4-21-1715-01

Carrier's Austin Representative

Box Number 19

DWC Date Received

May 28, 2021

Summary of Findings

Dates of Service	Disputed Services	Amount in Dispute	Amount Due
April 1, 2021	Omeprazole	\$259.90	\$257.00
Total		\$259.90	\$257.00

Requestor's Position

This claim should be processed with the full amount billed as per Administrative Labor Code 134.503(c), as well as by the direct carrier, not an alternate vendor.

Amount in Dispute: \$259.90

Respondent's Position

Due to a system/process error, the Carrier is unable to determine the status of the disputed bill/payment. The Carrier will supplement this Response upon completion of its investigation.

Response Submitted by: Flahive, Ogden & Latson

Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 TAC §134.503 sets out the fee guidelines for pharmacy services.

Denial Reasons

Neither party submitted an explanation of benefits that supports adjudication of the disputed service.

Issues

1. What rule(s) apply to disputed services?

Findings

1. The requestor is seeking reimbursement for oral medication dispensed April 1, 2021. The insurance carrier provided insufficient evidence to support adjudication of the disputed medication. The medication will be reviewed per applicable fee guideline.

28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs: $((\text{AWP per unit}) \times (\text{number of units}) \times 1.25) + \4.00
dispensing fee per prescription = reimbursement amount;

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Omeprazole	62175011843	G	3.37	60	\$257.00	\$259.90	\$257.00

The total reimbursement is \$257.00. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requestor has established that additional reimbursement of \$257.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that Safety National Casualty Corp must remit to Memorial Compounding RX \$257.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
