Issues

1. What rule(s) apply to disputed services?

Findings

1. The requestor is seeking reimbursement for oral medication dispensed April 29, 2021. The insurance carrier did not submit sufficient evidence to support adjudication of this medication. The medication will be reviewed per applicable fee guideline.

DWC Rule 28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

Generic drugs: $((\text{AWP per unit}) \times (\text{number of units}) \times 1.25) + \4.00 dispensing fee per prescription = reimbursement amount;

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Omeprazole	62175011843	G	3.37	60	\$257.00	\$259.90	\$257.00

The total reimbursement is \$257.00. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement of \$257.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that Safety National Casualty Corp must remit to Memorial Compounding RX \$257.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
