Response Submitted by: Gallagher Bassett

Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 TAC §134.503 sets out the fee guidelines for oral medications.
3. 28 TAC §134.530 sets out the requirements of prior authorization.

Denial Reasons

The explanation of benefits did not include the page with the explanation of the denial.

Issues

1. What rule(s) apply to disputed services?
2. Is the requestor entitled to reimbursement?

Findings

1. The requestor is seeking reimbursement for oral medication dispensed in May 2021. Insufficient evidence was found to support the disputed services were adjudicated. The service in dispute will be reviewed per applicable fee guideline.

DWC Rule 28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

- Generic drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \4.00 dispensing fee per prescription = reimbursement amount;

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Gabapentin	67877022305	G	1.33	60	\$103.80	\$137.34	\$103.80
						\$137.34	\$103.80

DWC Rule 134.530(b)(1) states in pertinent part preauthorization is only required for drugs identified with a "N" in the current edition of Appendix A, ODG Workers' Compensation Drug Formulary. The disputed medication Diclofenac Sodium was found to be listed as shown below.

NSAIDs	Diclofenac sodium	Dyloject	No	N
NSAIDs	Diclofenac sodium	Voltaren	Yes	Y

Insufficient evidence was found to indicate which form of the medication was dispensed. No reimbursement can be recommended.

2. The total reimbursement is \$103.80. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is [not] entitled to additional reimbursement for the disputed services. It is ordered that Standard Fire Insurance Co must remit to Memorial Compounding Pharmacy \$103.80 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
