### Requestor's Position

"The above claimant received medication as prescribed by referral provider. Bill for date of service 04/01/2021 was processed and paid incorrectly. It looks like the alternate vendor, TMESYS who is under the umbrella of OPTUM RX, processed and paid the bill INCORRECTLY. Memorial Wellness Pharmacy does not have a contract with OPTUM RX or the alternate vendors under its umbrella, in this case TMESYS. Therefore, the claim should be paid and processed by the Direct Claimant's Insurance Carrier."

**Amount in Dispute:** \$259.90

### Respondent's Position

The Austin carrier representative for Safety National Casualty Corp., is Flahive, Ogden & Latson. Flahive, Ogden & Latson, was notified of this medical fee dispute on August 17, 2021. Per 28 TAC §133.307(d)(1) if the division does not receive the response within 14-calendar days of the dispute notification, then the division may base its decision on the available information. As of today, no response has been received from the carrier or its representative. We therefore base this decision on the information available as authorized under §133.307(d)(1).

## Findings and Decision

### Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

### Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 TAC §134.503 sets out the fee guidelines for pharmaceutical services.

### Denial Reasons

Neither party submitted an explanation of benefits for the services in dispute.

### Issues

1. What is the insurance carrier's obligation to respond to a medical bill?
2. Did the insurance carrier timely present denial reasons to the provider before the filing of this fee dispute?
3. What is the total reimbursement for the service(s) in dispute?

### Findings

1. It is the duty of the workers' compensation insurance carrier **or an agent acting on the carrier's behalf** to pay, reduce, or deny a complete medical bill within 45 days from the date of receipt. A carrier's 45-day deadline to make or deny payment is **not extended** as a result of an audit under 28 TAC §133.230, or as a result of a pending request for additional documentation. Further, the insurance carrier **shall** notify the health care provider of its final action by issuing an explanation of benefits (EOB) and shall include on its EOB any bill reductions, denial reasons, and defenses in the form and manner required by 28 TAC §133.240.

Under 28 TAC §133.307, the DWC only reviews those denial reasons and defenses presented by the carrier to the health care provider prior to the date the request for MFDR was filed. Any denial reasons or defenses raised by the carrier after the filing of the dispute are not considered in the review of the medical fee dispute.

2. The DWC finds that the requestor, MEMORIAL COMPOUNDING PHARMACY, presented sufficient documentation to support that it requested payment from the insurance carrier for medications provided to a covered injured employee. The insurance carrier did not pay, reduce, or deny the complete medical bill in 45 days. Due to the insurance carrier's failure to take final action and timely issue an EOB, the provider then asked for reconsideration and requested an EOB as required. The insurance carrier did not respond to the request for reconsideration. The provider then filed for medical fee dispute resolution (MFDR).

No evidence was presented by the insurance carrier or its agent to support that it responded to the complete medical bill within 45 days; nor did the insurance carrier or its agent present any evidence to support that it responded to the request for reconsideration and request for an EOB. The insurance carrier therefore failed to present any denial reasons or defenses to the provider before the filing of this medical fee dispute.

The insurance carrier failed to present any defenses that conform with the requirements of 28 TAC §133.240 and 133.250 discussed above. Absent any evidence that the insurance carrier or an agent acting on the insurance carrier’s behalf timely presented any defenses to the provider that conform with the requirements of Title 28, Part 2, Chapter 133, Subchapter C, the DWC finds that the medications are eligible for reimbursement.

- 3. Rule 28 TAC §134.503 applies to the reimbursement for medications. The medications in dispute are listed on the bill separately.

The insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of:

(1) the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:

(A) Generic drugs:  $(\text{AWP per unit}) \times (\text{number of units}) \times 1.25 + \$4.00$  dispensing fee per prescription = reimbursement amount.

The calculation of the total allowable amount is as follows:

| Drug                | NDC         | Generic(G)<br>/Brand(B) | Price/<br>Unit | Units<br>Billed | AWP<br>Formula | Billed<br>Dispute | Lesser of AWP<br>and Billed |
|---------------------|-------------|-------------------------|----------------|-----------------|----------------|-------------------|-----------------------------|
| Omeprazole Dr 20 MG | 62175011843 | G                       | \$3.37338      | 60              | \$257.00       | \$259.90          | \$257.00                    |
| <b>Total</b>        |             |                         |                |                 |                | \$259.90          | \$257.00                    |

The total reimbursement is therefore \$257.00. This amount is recommended.

Conclusion

The outcome of each independent medical fee dispute relies on the relevant evidence the requester and respondent present at the time of adjudication. Although all the evidence in this dispute may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement is due. As a result, the amount ordered is \$257.00.

## Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requester is entitled to reimbursement for the disputed services. It is ordered that the Respondent must remit to the Requester \$257.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
