Findings and Decision

<u>Authority</u>

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

- 1. 28 Texas Administrative Code §133.240 sets out the procedures for payment or denial of a medical bill.
- 2. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.
- 3. 28 TAC §134.235 sets out the fee guidelines for examinations to determine the extent of a compensable injury.
- 4. 28 TAC §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating.

Denial Reasons

Neither party submitted an explanation of benefits with reasons for the [reduction or denial] of payment for the disputed services.

<u>lssues</u>

- 1. Did Eastguard Insurance Co. take final action on the bill for the disputed service before medical fee dispute resolution was requested?
- 2. Is Jan R. Petrasek, M.D. entitled to reimbursement for the examination in question?

<u>Findings</u>

1. Dr. Petrasek is seeking reimbursement for a designated doctor examination to determine maximum medical improvement and impairment rating.

Dr. Petrasek argued that it had not received payment or an explanation of denial for medical bills submitted for the examination in question.

Per 28 TAC §133.240 (a), the insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.

The greater weight of evidence presented to the DWC supports that a complete bill for the services in question was received by the insurance carrier or its agent. No evidence was provided to support that the insurance carrier took final action on the bill for the service in question.

2. Because the insurance carrier failed to present any reason for non-payment of the examination in question, Dr. Petrasek is entitled to reimbursement.

The submitted documentation supports that Petrasek performed an evaluation of maximum medical improvement as ordered by DWC. 28 TAC §134.250 (3)(C) states that the maximum allowable reimbursement (MAR) for this examination is \$350.00.

Review of the submitted documentation finds that Dr. Petrasek performed impairment rating evaluations of right upper extremity with range of motion testing. The rule at 28 TAC §134.250 (4)(C) defines the fees for the calculation of an impairment rating for musculoskeletal body areas. The MAR for the evaluation of the first musculoskeletal body area performed with range of motion is \$300.00.

The submitted documentation indicates that Dr. Petrasek was ordered to address maximum medical improvement, impairment rating, and extent of injury. The narrative report and enclosed forms support that these evaluations were performed, and one additional impairment rating was provided. When multiple impairment ratings are required as a component of a designated doctor examination, 28 TAC §134.250 (4)(B) states that the designated doctor shall be reimbursed \$50.00 for each additional impairment rating calculation. Therefore, the correct MAR for this service is \$50.00.

The submitted documentation indicates that Dr. Petrasek performed an examination to determine the extent of the compensable injury. According to 28 TAC §134.235, the MAR for this examination is \$500.00.

The total allowable reimbursement for the examination in question is \$1,200.00. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement of \$1,200.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that Eastguard Insurance Co. must remit to Jan R. Petrasek, M.D. \$1,200.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
