### Statutes and Rules

1. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 TAC §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating.

### Denial Reasons

The insurance carrier reduced the payment for the disputed services with the following claim adjustment codes:

- P12 – Workers' compensation jurisdictional fee schedule adjustment.

### Issues

1. Is Valorie Robertson, M.D. entitled to additional reimbursement?

### Findings

1. Dr. Robertson is seeking additional reimbursement for a designated doctor examination to determine maximum medical improvement and impairment rating. The insurance carrier reimbursed the incorporation of a specialist's report in full, therefore, this will not be reviewed.

The submitted documentation supports that Dr. Robertson performed an evaluation of maximum medical improvement as ordered by DWC. 28 TAC §134.250 (3)(C) states that the maximum allowable reimbursement (MAR) for this examination is \$350.00.

Review of the submitted documentation finds that Dr. Robertson performed impairment rating evaluations of the eyes. The rule at 28 TAC §134.250 (4)(D) defines the fees for the calculation of an impairment rating for non-musculoskeletal body areas. The MAR for the assignment of impairment rating for non-musculoskeletal body areas is \$150.00 each.

The total allowable reimbursement for the examination in question is \$500.00. The insurance carrier paid \$350.00. An additional reimbursement of \$150.00 is recommended.

### Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement of \$150.00 is due.

## Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that Dallas Area Rapid Transit must remit to Valorie Robertson, M.D. \$150.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
