Response Submitted by: American Contractors Insurance Group

Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the reimbursement for compound medications.

Denial Reasons

The insurance carrier [reduced or denied] the payment for the disputed services with the following claim adjustment codes:

- No explanation of benefits provided

Issues

1. Is MEMORIAL COMPOUNDING RX entitled to additional reimbursement?

Findings

1. Memorial is seeking additional reimbursement for Cyclobenzaprine 5 MG Tablet and MAPAP Arthritis Pain Tablet dispensed July 16, 2021. Review of the documentation provided indicates a payment made in the amount of \$170.53.

The insurance carrier is required to pay the lesser of the DWC's pharmacy formulary based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed, or the billed amount.

Memorial is requesting an additional reimbursement of \$170.53 for the disputed drug. Memorial has the burden to support its request for this amount. Memorial did not demonstrate how it arrived at the requested amount or whether that amount is consistent with the methodology under 28 TAC §134.503 (c) in its position statement.

After notification by the DWC's medical fee dispute resolution program of the insurance carrier's response and payment, Memorial did not take the opportunity to refute the carrier's payment calculation. The DWC finds that no additional reimbursement can be recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been

discussed, it was considered.

DWC finds the requester has not established that additional reimbursement is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is not entitled to additional reimbursement for the disputed services.
