Statutes and Rules

1. 28 Texas Administrative Code (TAC) §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 TAC §134.600 sets out the guidelines for preauthorization, concurrent review, and voluntary certification of healthcare.
3. 28 TAC §134.203 sets out the fee guidelines for the reimbursement of workers' compensation professional medical services provided on or after March 1, 2008.

Denial Reasons

The insurance carrier reduced or denied the payment for the disputed services with the following claim adjustment codes:

- 193-Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.
- 197 -Precertification/authorization/notification absent.
- W3 - TDI Level 1 Appeal means a request for reconsideration under 133.250 of this title or an appeal of an adverse determination under chapter 19, Subchapter U of this title.

Issues

1. What is the definition of CPT Codes 96158 and 96159?
2. Did the requestor obtain preauthorization for the services in dispute?
3. Is the Requestor entitled to reimbursement?

Findings

1. The requestor billed CPT Code(s) 96158 and 96159 rendered on April 5, 2021. The insurance carrier in the position summary states in pertinent part, "Prior authorization would have been required for codes 96158, 96159."

28 TAC §134.203 (b) states in pertinent part, "For coding, billing, reporting, and reimbursement of professional medical services, Texas workers' compensation system participants shall apply the following: (1) Medicare payment policies, including its coding; billing; correct coding initiatives (CCI) edits; modifiers; bonus payments for health professional shortage areas (HPSAs) and physician scarcity areas (PSAs); and other payment policies in effect on the date a service is provided with any additions or exceptions in the rules."

CPT Code 96158 is defined as "*Health behavior intervention, individual, face-to-face; initial 30 minutes.*"

CPT Code 96159 is defined as "*Health behavior intervention, individual, face-to-face; each additional 15 minutes.*"

The disputed services are considered health and behavior assessment and intervention services.

- The insurance carrier denied the disputed services with reason codes 197 (description provided above).

28 TAC §134.600 (c) (1) (B) states in pertinent part, "(c) The insurance carrier is liable for all reasonable and necessary medical costs relating to the health care: (1) listed in subsection (p) or (q) of this section only when the following situations occur... (B) preauthorization of any health care listed in subsection (p) of this section that was approved prior to providing the health care..."

28 TAC §134.600 (p) (7) states in pertinent part "(p) Non-emergency health care requiring preauthorization includes: (7) all psychological testing and psychotherapy, repeat interviews, and biofeedback, except when any service is part of a preauthorized return-to-work rehabilitation program..."

The DWC finds that CPT Codes 96158 and 96159 do not require preauthorization per 28 TAC §134.600 (p)(7). As a result, reimbursement is determined per 28 TAC §134.203.

- 28 TAC §134.203 (c) states in pertinent part, "To determine the MAR for professional services, system participants shall apply the Medicare payment policies with minimal modifications. (1) For service categories of Evaluation & Management, General Medicine, Physical Medicine and Rehabilitation, Radiology, Pathology, Anesthesia, and Surgery when performed in an office setting, the established conversion factor to be applied is \$52.83. For Surgery when performed in a facility setting, the established conversion factor to be applied is \$66.32. (2) The conversion factors listed in paragraph (1) of this subsection shall be the conversion factors for calendar year 2008. Subsequent year's conversion factors shall be determined by applying the annual percentage adjustment of the Medicare Economic Index (MEI) to the previous year's conversion factors, and shall be effective January 1st of the new calendar year..."

The following outlines the fee guideline for the services in dispute.

Date of service	CPT Code	# Units	Amount Sought	MAR	Amount Recommended
4/5/2021	96158	1	\$88.00	\$114.44	\$88.00
	96159	2	\$72.00	\$78.96	\$72.00
TOTAL		3	\$160.00	\$193.40	\$160.00

Review of the submitted documentation finds that the requestor is entitled to reimbursement in the amount of \$160.00, the insurance carrier issued payment in the amount of \$0.00, as a result, the requestor is entitled to a recommended amount of \$160.00.
