Amount in Dispute: \$350.00

Respondent's Position

The Austin carrier representative for UMC Health System is Downs-Stanford, PC. The representative was notified of this medical fee dispute on January 19, 2022.

Per 28 Texas Administrative Code §133.307 (d)(1), if the DWC does not receive the response within 14 calendar days of the dispute notification, then the DWC may base its decision on the available information.

As of today, no response has been received from the insurance carrier or its representative. We will base this decision on the information available.

Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 Texas Administrative Code §133.10 sets out the procedures for submission of a medical bill.
2. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.

Denial Reasons

Neither party submitted an explanation of benefits with reasons for the payment or denial of the disputed services.

Issues

1. Did UMC Health System take final action on the bill for the service in question prior to the request for medical fee dispute resolution (MFDR)?
2. Is Kevin Shrum, D.C. entitled to reimbursement for the dispute in question?

Findings

1. Dr. Shrum is seeking reimbursement of \$350.00 for a designated doctor examination performed on January 29, 2021. Dr. Shrum argued that he had not received payment or an explanation of denial for medical bills submitted for the examination in question.

Per 28 TAC §133.240 (a), the insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.

The greater weight of evidence presented to DWC supports that a complete bill for the services in question was received by the insurance carrier or its agent. No evidence was provided to support that the insurance carrier took final action on the bill for the service in question.

2. Because the insurance failed to support any defense for non-payment of the services in question, Dr. Shrum is entitled to reimbursement.

The submitted documentation supports that Dr. Shrum performed an evaluation of maximum medical improvement as ordered by DWC. 28 TAC §134.250 (3)(C) states that the maximum allowable reimbursement (MAR) for this examination is \$350.00. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement of \$350.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that UMC Health System must remit to Kevin Shrum, D.C. \$350.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
