2. 28 TAC §134.503 sets out the fee guidelines for pharmacy services.

Denial Reasons

- 193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly
- P12 – Workers' compensation jurisdictional fee schedule adjustment
- 4282 – Drugs identified with a status of "Y" in the current edition of the "Official Disability Guidelines Treatment In Workers' Comp" (ODG)/Appendix A

Issues

1. Did the insurance carrier support their position statement?

2. What rule(s) apply to disputed services?

Findings

1. The requestor is seeking reimbursement for oral medication dispensed in December 2021. The insurance company states in their position statement, "Our bill audit company has determined additional monies are owed. Attached is a copy of the EOB and payment summaries, which include interest." Insufficient evidence was found to support this statement or a payment made. The service in dispute will be reviewed per applicable fee guideline.
2. DWC Rule 28 Texas Administrative Code §134.503 (c) states the insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:
    - Generic drugs: ((AWP per unit) x (number of units) x 1.25) + $4.00 dispensing fee per prescription = reimbursement amount;

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Cyclobenzaprine	52817033050	G	1.64	15	$34.76	$82.11	$34.76
Ibuprofen	67877032005	G	0.52	30	$23.32	$72.96	$23.32

The total reimbursement is $58.08. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that respondent must remit to requestor $58.08 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
