Per 28 Texas Administrative Code §133.307 (d)(1), if the DWC does not receive the response within 14 calendar days of the dispute notification, then the DWC may base its decision on the available information.

As of today, no response has been received from the insurance carrier or its representative.

We will base this decision on the information available.

Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 TAC §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating.

Denial Reasons

The insurance carrier reduced the payment for the disputed services with the following claim adjustment codes:

- 309 – The charge for this procedure exceeds the fee schedule allowance.
- P12 – Workers' compensation jurisdictional fee schedule adjustment.
- N600 – Adjusted based on the applicable fee schedule for the region in which the service was rendered.

Issues

1. Is Richard Lawrence, M.D. entitled to additional reimbursement?

Findings

1. Dr. Lawrence is seeking additional reimbursement for a designated doctor examination performed on January 13, 2022. The insurance carrier reduced payment citing fee guidelines.

The submitted documentation supports that Dr. Lawrence performed an evaluation of maximum medical improvement as ordered by DWC. 28 TAC §134.250 (3)(C) states that the maximum allowable reimbursement (MAR) for this examination is \$350.00.

Review of the submitted documentation finds that Dr. Lawrence performed impairment rating evaluations of the upper extremity with range of motion testing and neurological conditions. The rule at 28 TAC §134.250 (4)(C) defines the fees for the calculation of an impairment rating for musculoskeletal body areas. The MAR for the evaluation of the first musculoskeletal body area performed with range of motion is \$300.00. The rule at 28 TAC §134.250 (4)(D) defines the fees for the calculation of an impairment rating for non-musculoskeletal body areas. The MAR for the assignment of impairment rating for non-musculoskeletal body areas is \$150.00 each. The total MAR for the determination of

impairment rating is \$450.00.

The total allowable reimbursement for the examination in question is \$800.00. The insurance carrier paid \$650.00. An additional reimbursement of \$150.00 is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement of \$150.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that Dallas County must remit to Richard Lawrence, M.D. \$150.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
