## Findings and Decision

### Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

### Statutes and Rules

1. 28 Texas Administrative Code §133.240 sets out the procedures for payment or denial of a medical bill.
2. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.
3. 28 TAC §134.235 sets out the fee guidelines for examinations to determine the extent of a compensable injury.

### Denial Reasons

Neither party submitted an explanation of benefits with reasons for the denial of payment for the disputed services.

### Issues

1. Did Keller ISD take final action on the bill for the disputed service before medical fee dispute resolution was requested?
2. Is James Bales, M.D. entitled to additional reimbursement?

### Findings

1. Dr. Bales is seeking reimbursement for a designated doctor examination to determine the extent of a compensable injury.

Per 28 TAC §133.240 (a), the insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.

The greater weight of evidence presented to DWC supports that a complete bill for the services in question was received by the insurance carrier or its agent. No evidence was provided to support that the insurance carrier took final action on the bill for the service in question.

2. Because Keller ISD failed to present any defense for non-payment of the examination in question, Dr. Bales is entitled to reimbursement.

The submitted documentation indicates that Dr. Bales performed an examination to determine the extent of the compensable injury. According to 28 TAC §134.235, the MAR for this examination is \$500.00. This amount is recommended.

## Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that additional reimbursement of \$500.00 is due.

## **Order**

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to additional reimbursement for the disputed services. It is ordered that Keller ISD must remit to James Bales, M.D. \$500.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
