Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 TAC §133.307 sets out the procedures for resolving medical fee disputes.

Denial Reasons

The insurance carrier denied the payment for the disputed services with the following claim adjustment codes:

- 18 – Exact duplicate claim/service
- 247 – A payment or denial has already been recommended for this service
- D1 – Duplicate control number 306522534

Issues

1. Did the respondent in dispute respond to the DWC-60 request?
2. Did the requestor waive the right to medical fee dispute resolution?

Findings

1. The Austin carrier representative for Employer Assurance Co is Law Office of Ricky D Green. Law Office of Ricky D Green was notified of this medical fee dispute on June 1, 2022. Rule §133.307(d)(1) states that if the division does not receive the response within 14 calendar days of the dispute notification, then the division may base its decision on the available information. As of today, no response has been received from the carrier or its representative. We therefore base this decision on the information available as authorized under §133.307(d)(1).
2. 28 Texas Administrative Code §133.307(c)(1) states:

Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section.

(A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute.

The date of the services in dispute is September 17, 2020. The request for medical fee dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) Section on May 24, 2022. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307(c)(1)(B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has not established that additional reimbursement is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is not entitled to additional reimbursement for the disputed services.
