## Findings

1. The requestor is seeking payment for HCPCS codes 70450 and 99285-25 for date of service April 22, 2022. The requestor asserts the claims were submitted timely.

DWC Rule 28 TAC §133.307(c)(1) states:

"Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the division receives the request.

- (A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute.
- (B) A request may be filed later than one year after the date(s) of service if:
  - (i) a related compensability, extent of injury, or liability dispute under Labor Code Chapter 410 has been filed, the medical fee dispute shall be filed not later than 60 days after the date the requestor receives the final decision, inclusive of all appeals, on compensability, extent of injury, or liability;
  - (ii) a medical dispute regarding medical necessity has been filed, the medical fee dispute must be filed not later than 60 days after the date the requestor received the final decision on medical necessity, inclusive of all appeals, related to the health care in dispute and for which the insurance carrier previously denied payment based on medical necessity; or
  - (iii) the dispute relates to a refund notice issued pursuant to a division audit or review, the medical fee dispute must be filed not later than 60 days after the date of the receipt of a refund notice.

The date of the service in dispute is April 22, 2022. The request for medical fee dispute resolution was received at the Division on September 6, 2023.

Review of the submitted documentation found insufficient evidence to support an exception as detailed above. The requestor has waived their right to MFDR.
