FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.305 sets forth general provisions regarding dispute of medical bills.
2. 28 Texas Administrative Code §141.1 sets out the procedures for requesting a benefit review conference.
3. Texas Labor Code Chapter 410 Subchapter B. sets out procedures regarding benefit review conferences.
4. The insurance carrier denied payment for disputed services with the following payment exception codes:
- 43 - CARRIER DENIES COMPENSABILITY BASED ON THE EMPLOYEE'S NOTIFICATION TO THE CARRIER OVER EIGHT MONTHS AFTER THE DATE OF INJURY ALSO THERE IS NO MEDICAL TO SUBSTANTIATE AN INJURY OCCURRED ON [date of injury] CARRIER'S INVESTIGATION CONTINUES.

Issues

- 1. Are there unresolved issues of compensability, extent of injury, or liability regarding the services in dispute?
2. Can the Division adjudicate the medical fee issues in this dispute?

Findings

- 1. Review of the submitted documentation finds that there are unresolved issues of compensability, extent of injury, or liability for the same service(s) for which there is a medical fee dispute. No documentation was presented to support that the issue(s) of compensability, extent or liability have been resolved.

The appropriate dispute process for unresolved issues of compensability, extent of injury, or liability regarding disputed services requires the health care provider to submit a request for a benefit review conference pursuant to 28 Texas Administrative Code §141.1. All outstanding issues regarding compensability, extent of injury, or liability for the disputed services must be resolved before requesting medical fee dispute resolution.

2. The requestor has failed to support that the outstanding issues regarding compensability, extent of injury or liability for the disputed services have been resolved through the required dispute resolution process as set forth in Texas Labor Code Chapter 410 before submitting a request for medical fee dispute resolution regarding the same services. Consequently, the Division cannot review the medical fee issues in dispute.

Conclusion

For the reasons stated above, the Medical Fee Dispute Resolution section cannot review the disputed services. As a result, no additional payment can be ordered. The merits of the medical fee issues have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
