

## **NOTICE OF INDEPENDENT REVIEW DETERMINATION**

MDR Tracking Number: M2-03-1229-01  
IRO Certificate No.: 5259

July 24, 2003

An independent review of the above-referenced case has been completed by a chiropractic doctor. The appropriateness of setting and medical necessity of proposed or rendered services is determined by the application of medical screening criteria published by \_\_\_\_, or by the application of medical screening criteria and protocols formally established by practicing physicians. All available clinical information, the medical necessity guidelines and the special circumstances of said case was considered in making the determination.

The independent review determination and reasons for the determination, including the clinical basis for the determination, is as follows:

See Attached Physician Determination

\_\_\_ hereby certifies that the reviewing physician is on Texas Workers' Compensation Commission Approved Doctor List (ADL). Additionally, said physician has certified that no known conflicts of interest exist between him and any of the treating physicians or providers or any of the physicians or providers who reviewed the case for determination prior to referral to \_\_\_.

Sincerely,

### CLINICAL HISTORY

\_\_\_ is being treated by \_\_\_ for injuries sustained in an on the job accident on \_\_\_.

### REQUESTED SERVICE(S)

Medical necessity and pre-authorization purchase of a BMR NT2000 Neuromuscular Electrical Stimulator.

### DECISION

Request denied.

### RATIONALE/BASIS FOR DECISION

While there is evidence for TENS units being able to help in the management of chronic pain conditions, there is no evidence in available peer review literature to support the use of a unit such as the one requested.
