___ has been certified by the Texas Department of Insurance as an Independent Review Organization. The Texas Worker's Compensation Commission has assigned this case to ___ for independent review in accordance with TWCC Rule 133.308 which allows for medical dispute resolution by an IRO.

___ has performed an independent review of the proposed care to determine if the adverse determination was appropriate. In performing this review, all relevant medical records and documentation utilized to make the adverse determination, along with any documentation and written information submitted, was reviewed.

The independent review was performed by a matched peer with the treating doctor. This case was reviewed by a licensed Medical Doctor with a specialty and board certification in Physical Medicine and Rehabilitation. The reviewer is on the TWCC Approved Doctor List (ADL). The ___ health care professional has signed a certification statement stating that no known conflicts of interest exist between the reviewer and any of the treating doctors or providers or any of the doctors or providers who reviewed the case for a determination prior to the referral to ___ for independent review. In addition, the reviewer has certified that the review was performed without bias for or against any party to the dispute.

CLINICAL HISTORY

The medical records provided consist of two letters of medical necessity from ___, D.O. The diagnosis is lumbago. No records are provided to support these diagnoses, to discuss the mechanism of injury, or to outline the previous treatment. A patient subjective symptom log demonstrates no improvement in the various queried parameters from 4/30/03 through 6/26/03, yet there is a statement that the unit "has helped reduce the swelling, reduces pain level and spasms."

REQUESTED SERVICE

The purchase of an RS-4i interferential and muscle stimulator is requested for this patient.

DECISION

The reviewer agrees with the prior adverse determination.

BASIS FOR THE DECISION

No records are provided to support the use of a neuromuscular stimulator. There is no

documentation of objective evidence to support a diagnosis for which a stimulator would be necessary. There is no documentation of objective evidence of improvement with a trial of stimulator use.

___ has performed an independent review solely to determine the medical necessity of the health services that are the subject of the review. ___ has made no determinations regarding benefits available under the injured employee's policy.

As an officer of ___, I certify that there is no known conflict between the reviewer, ___ and/or any officer/employee of the IRO with any person or entity that is a party to the dispute.

___ is forwarding by mail and, in the case of time sensitive matters by facsimile, a copy of this finding to the treating doctor, payor and/or URA, patient and the TWCC.

Sincerely,
