Re: Medical Dispute Resolution  
MDR #: M2-04-0059-01  
IRO Certificate No.: 5055

In accordance with the requirement for TWCC to randomly assign cases to IROs, TWCC assigned your case to \_\_\_ for an independent review. \_\_\_ has performed an independent review of the medical records to determine medical necessity. In performing this review, \_\_\_ reviewed relevant medical records, any documents provided by the parties referenced above, and any documentation and written information submitted in support of the dispute.

The independent review was performed by a matched peer with the treating health care provider. Your case was reviewed by a physician who is certified in Chiropractic Medicine.

**Clinical History:**

The claimant injured her right wrist on \_\_\_ and has required one surgery and a second was scheduled after the date of the last record reviewed.

**Disputed Services:**

Proposed purchase of interferential muscle stimulator.

**Decision:**

The reviewer agrees with the determination of the insurance carrier. The proposed purchase of interferential muscle stimulator is not medically necessary in this case.

**Rationale:**

The use of interferential muscle stimulation is a treatment-oriented electro-therapy designed to reduce swelling and spasms in the affected area. The purpose given for the RS4i interferential muscle stimulator was the relief of chronic pain. This unit is more appropriate for acute and subacute type injuries. There is no need for this type of muscle stimulator in this case.

I am the Secretary and General Counsel of \_\_\_ and I certify that the reviewing physician in this case has certified to our organization that there are no known conflicts of interest that exist between him and any of the treating physicians or other health care providers or any of the physicians or other health care providers who reviewed this care for determination prior to referral to the Independent Review Organization.

We are simultaneously forwarding copies of this report to the payor and the Texas Workers' Compensation Commission. This decision by \_\_\_ is deemed to be a Commission decision and order.
