IRO #: 5251

\_\_\_ has been certified by the Texas Department of Insurance as an Independent Review Organization. The Texas Worker's Compensation Commission has assigned this case to \_\_\_ for independent review in accordance with TWCC Rule 133.308 which allows for medical dispute resolution by an IRO.

\_\_\_ has performed an independent review of the proposed care to determine if the adverse determination was appropriate. In performing this review, all relevant medical records and documentation utilized to make the adverse determination, along with any documentation and written information submitted, was reviewed.

The independent review was performed by a matched peer with the treating doctor. This case was reviewed by a licensed Doctor of Osteopathy board certified in anesthesiology and specialized in chronic pain management. The reviewer is on the TWCC Approved Doctor List (ADL). The \_\_\_ health care professional has signed a certification statement stating that no known conflicts of interest exist between the reviewer and any of the treating doctors or providers or any of the doctors or providers who reviewed the case for a determination prior to the referral to \_\_\_ for independent review. In addition, the reviewer has certified that the review was performed without bias for or against any party to the dispute.

#### CLINICAL HISTORY

\_\_\_, a 53-year-old Store Designer for \_\_\_ suffered a work-related lifting incident on \_\_\_ that resulted in a chronic pain syndrome related to her lumbar spine. This incident occurred when she was lifting a backboard and felt a sharp pain shoot down her lumbar spine. Failure of conservative measures have resulted in recommended participation in a chronic pain program by the patient.

#### REQUESTED SERVICE

A chronic pain management program is requested for this patient.

#### DECISION

The reviewer disagrees with the prior adverse determination.

#### BASIS FOR THE DECISION

Pain specialist \_\_\_ finds that this patient's chronic pain syndrome is related to her work-related injury. In addition, it would seem that extensive therapies have not been effective. As stated by \_\_\_, the patient meets the requirement to be considered for participation in a 30-day chronic pain program, and the \_\_\_ reviewer agrees.

\_\_\_ has performed an independent review solely to determine the medical necessity of the health services that are the subject of the review. \_\_\_ has made no determinations regarding benefits available under the injured employee's policy.

As an officer of \_\_\_\_, I certify that there is no known conflict between the reviewer, \_\_\_\_ and/or any officer/employee of the IRO with any person or entity that is a party to the dispute.

\_\_\_\_ is forwarding by mail and, in the case of time sensitive matters by facsimile, a copy of this finding to the treating doctor, payor and/or URA, patient and the TWCC.

Sincerely,
