IRO #: 5284

___ has been certified by the Texas Department of Insurance as an Independent Review Organization. The Texas Worker's Compensation Commission has assigned this case to ___ for independent review in accordance with TWCC Rule 133.308 which allows for medical dispute resolution by an IRO.

___ has performed an independent review of the proposed care to determine if the adverse determination was appropriate. In performing this review, all relevant medical records and documentation utilized to make the adverse determination, along with any documentation and written information submitted, was reviewed.

This case was reviewed by a licensed Doctor of Osteopathy who is board certified in Orthopedic Surgery. The ___ health care professional has signed a certification statement stating that no known conflicts of interest exist between the reviewer and any of the treating doctors or providers or any of the doctors or providers who reviewed the case for a determination prior to the referral to ___ for independent review. In addition, the reviewer has certified that the review was performed without bias for or against any party to the dispute.

CLINICAL HISTORY

The patient is a 38 year old male who was evaluated on 3-16-2004 with complaints of right knee pain after hitting it while coming down a ladder on ___. The only office records are from ___, which consists of repeated copying of the same page and also from the emergency room from ___. He has had prior surgeries and is noted that he has a right knee scope and a left anterior cruciate reconstruction apparently. An MRI was recommended; however, he has metal in his eye; therefore, the recommendation from the doctor is to undergo an arthroscopy.

REQUESTED SERVICE

The item in dispute is the prospective medical necessity of a surgical right knee arthroscopy.

DECISION

The review agrees with the previous adverse determination.

BASIS FOR THE DECISION

Since this patient has not had an arthrogram, CT scan or any other medical work up and only one page of evaluations, the procedure should be denied following the guidelines from ___.

___ has performed an independent review solely to determine the medical necessity of the health services that are the subject of the review. ___ has made no determinations regarding benefits available under the injured employee's policy. ___ believes it has made a reasonable attempt to

obtain all medical records for this review and afforded the requestor, respondent and treating doctor an opportunity to provide additional information in a convenient and timely manner.

As an officer of ____, Inc, dba ____, I certify that there is no known conflict between the reviewer, ____ and/or any officer/employee of the IRO with any person or entity that is a party to the dispute.

Sincerely,
