Austin, TX 78744

Patient: \_\_\_\_  
DWC #: \_\_\_\_  
MDR Tracking #: M2-06-1492-01  
IRO #: 5284

Specialty IRO has been certified by the Texas Department of Insurance as an Independent Review Organization. The TDI-Division of Workers' Compensation has assigned this case to Specialty IRO for independent review in accordance with DWC Rule 133.308, which allows for medical dispute resolution by an IRO.

Specialty IRO has performed an independent review of the proposed care to determine if the adverse determination was appropriate. In performing this review, all relevant medical records and documentation utilized to make the adverse determination, along with any documentation and written information submitted, was reviewed.

This case was reviewed by a licensed Medical Doctor with a specialty in Anesthesia and Pain Management. The reviewer is on the DWC ADL. The Specialty IRO health care professional has signed a certification statement stating that no known conflicts of interest exist between the reviewer and any of the treating doctors or providers or any of the doctors or providers who reviewed the case for a determination prior to the referral to Specialty IRO for independent review. In addition, the reviewer has certified that the review was performed without bias for or against any party to the dispute.

#### CLINICAL HISTORY

This patient sustained an injury at work in \_\_\_\_ while lifting totes. He had 3 epidural steroid injections, SI joint injections, piriformis, quadratus muscle and an MRI. He had a course of 40 chiropractic visits.

#### RECORDS REVIEWED

Records from the Doctor/Facility: Clifford Chiropractic Neurology center-Daily chart notes, patient health questionnaires, health survey, back index, neck index and denial appeal.

Records from the Carrier: Letter from attorney Shanley; Nurse Mock letters; IME-Dr. Corley; Evaluation0Dr. Leong; Plain x-ray and MRI of lumbar spine; Procedure notes-facet joint injections, prorformis, quadratus lumorum injections, bilateral sacro-iliac injections; letters from and consultation-Dr. Shalev.

#### REQUESTED SERVICE

The item in dispute is the prospective medical necessity of a lumbar facet injection at L2-5.

#### DECISION

The reviewer disagrees with the previous adverse determination.

#### BASIS FOR THE DECISION

The reviewer states that this patient has somatic back pain findings. ASIPP Practice Guidelines (ASIPP Practice Guidelines, Interventional Techniques in the Management of Chronic Pain, Pain Physician 2001; 4: 24-98) support performing a series of facet injections in this setting.

Specialty IRO has performed an independent review solely to determine the medical necessity of the health services that are the subject of the review. Specialty IRO has made no determinations regarding benefits available under the injured employee's policy. Specialty IRO believes it has made a reasonable attempt to obtain all medical records for this review and afforded the requestor, respondent and treating doctor an opportunity to provide additional information in a convenient and timely manner.

As an officer of Specialty IRO, Inc, dba Specialty IRO, I certify that the reviewing provider has no known conflicts of interest between that provider and the injured employee, the injured employee's employer, the injured employee's insurance carrier, the utilization review agent, or any of the treating doctors or insurance carrier health care providers who reviewed the case for decision before referral to the IRO.

Sincerely,

Wendy Perelli, CEO
