2 Yr Subscription to CertiFACTS Online Service - used to verify board certification. Vendor: ABMS Solutions, LLC User and Contract Monitor: Suzie Miller Contract Administrator: Mary Landrum Justification for this agreement: The OMA respectfully requests that this agreement be approved as OMA needs access to ABMS in order to perform an independent verification of an MDs board certification as part of the designated doctor certification/recertification application process. Rule section 127.130 requires that a designated doctor must be board certified from a required subspecialty from the American Board of Medical Specialties (ABMS) or the American Osteopathic Association Bureau of Osteopathic Specialists (AOABOS) in order to examine certain diagnoses as listed in this section of the rule. The medical advisor requires the independent verification prior to approving the body areas that a designated doctor is qualified to examine. This ABMS agreement will allow DWC to perform such independent verification.
