

Subchapter A. Examination and Financial Analysis
28 TAC §7.67

1. INTRODUCTION. The Commissioner of Insurance adopts the repeal of §7.67, concerning the requirements for filing the 2004 quarterly and annual statements, other reporting forms, and electronic data filings with the Texas Department of Insurance (Department) and the National Association of Insurance Commissioners (NAIC). The repeal is adopted without changes to the proposal published in the February 4, 2011 issue of the *Texas Register* (36 TexReg 510).

2. REASONED JUSTIFICATION. The repeal of the obsolete section is necessary to permit the simultaneous adoption of new §7.67, concerning filing requirements for the 2010 annual statements, the 2011 quarterly statements, other reporting forms, and electronic data filings with the Department and the NAIC. The 2004 reporting forms and other forms required to be filed under the repealed section have been filed and the due dates for filing the 2004 annual statements, 2004 quarterly statements, and other reports have passed. Therefore, the repealed section is no longer necessary. In conjunction with this adoption, the adoption of new §7.67 is also published in this issue of the *Texas Register*.

3. HOW THE SECTION WILL FUNCTION. The adoption of the repeal will result in the removal of an obsolete provision from the Texas Administrative Code, and permit the adoption of new §7.67. Adopted new §7.67 specifies the requirements for filing the

2010 annual statements, the 2011 quarterly statements, other reporting forms, and electronic data filings with the Department and the NAIC.

4. SUMMARY OF COMMENTS AND AGENCY RESPONSE. The Department did not receive any comments on the published proposal.

5. STATUTORY AUTHORITY. The repeal of the section is adopted under the Insurance Code §§801.001 – 802.003, 802.051 – 802.056, and 36.001. Sections 802.001 - 802.003 and 802.051 - 802.056 authorize the Commissioner to make changes in the forms of the annual statements required of insurance companies of any kind, as shall seem best adapted to elicit a true exhibit of their condition and methods of transacting business and require certain insurers to make filings with the National Association of Insurance Commissioners. Section 36.001 provides that the Commissioner of Insurance may adopt any rules necessary and appropriate to implement the powers and duties of the Texas Department of Insurance under the Insurance Code and other laws of this state.
