RE: Finalized Revisions to TDI-DWC Electronic Data Interchange (EDI) Forms 01, 02, and 03

The Texas Department of Insurance, Division of Workers' Compensation (TDI-DWC) finalizes minor revisions to DWC EDI-01 – *EDI Trading Partner Profile*, DWC EDI-02 – *Insurance Carrier or Trading Partner Medical Electronic Data Interchange (EDI) Profile*, and DWC EDI-03 – *Medical EDI Compliance Coordinator and Trading Partner Notification*.

Revisions to DWC EDI forms 01, 02, and 03 update the public information note, TDI-DWC's contact information, and the email address necessary for EDI claim and medical submissions. Further, revisions to DWC EDI-01 delete the medical contact information field because EDI forms 02 and 03 address medical submissions. Revisions to DWC EDI-01 also delete the trading partner's mailing address field and reference to transmission frequencies and payments because these fields are not necessary for EDI claim or healthcare plan matching submissions. The revisions retain the trading partner's physical address field, include global formatting changes, and a FAQ section consistent with other TDI-DWC forms.

TDI-DWC posted the revised forms to its website on September 1, 2016, and the comment period closed on September 15, 2016. The finalized forms are available at <http://www.tdi.texas.gov/forms/form20carrier.html>, and are effective November 1, 2016.
