### **Assessment of Sanction**

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Timely submitting information and documents to DWC is imperative for it to implement and enforce the Texas Workers' Compensation Act.
3. DWC relies on claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.
4. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
  - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
  - the history and extent of previous administrative violations;
  - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
  - the penalty necessary to deter future violations;
  - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
  - the history of compliance with EDI requirements;
  - to the extent reasonable, the economic benefit resulting from the prohibited act; and
  - other matters that justice may require, including, but not limited to:
    - PBO assessments;
    - prompt and earnest actions to prevent future violations;
    - self-report of the violation;
    - the size of the company or practice;
    - the effect of a sanction on the availability of health care; and
    - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
5. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation, including the

nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; and the history of compliance with EDI requirements.

6. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: DWC found no factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating.
7. Farmington Casualty acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
8. Farmington Casualty acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
