Memorandum

To: Workers' Compensation System Participants
From: D.C. Campbell, Director, Workers' Compensation Research and Evaluation Group
Date: September 18, 2014
Subject: Informal Posting of FY 2015 Research Agenda

The Workers' Compensation Research and Evaluation Group (REG) is a statutorily-formed group of researchers within the Texas Department of Insurance who are responsible for conducting professional studies and research on various issues impacting the cost, quality and operational effectiveness of the Texas workers' compensation system.

Labor Code §405.0026 requires the Commissioner of Insurance to adopt an annual research agenda for the REG, which is a list of research projects the REG intends to complete during the fiscal year.

The informal draft of the FY 2015 research agenda was published on September 18, 2014 and may be accessed at <http://www.tdi.texas.gov/wc/regulation/roc/documents/fy15-proposed-agenda.pdf>.

A formal version of the FY 2015 research agenda will be published for public comment in the Texas Register at a later date.

Comments may be sent to D.C. Campbell (WCRResearch@tdi.texas.gov). The comment period on the informal posting of the FY 2015 research agenda closes October 3, 2014 by 5 p.m. Central Standard Time.
