DEFINITIONS

In this policy:

“Business” includes trade, profession or occupation.

COVERAGES

COVERED PROPERTY

This insurance applies to the described location and coverages for which a limit of liability is shown in the Declarations.

COVERAGE A (Dwelling)

We cover:

1. The dwelling on the described location shown in the Declarations, used principally for dwelling purposes, including structures attached to the dwelling, unless listed in the PROPERTY NOT COVERED section of the policy.
2. Materials and supplies located on or next to the described location used to construct, alter or repair the dwelling or other structures on the described location. The total limit of liability for this item is 10% of the Coverage A (Dwelling) limit of liability. This is not additional insurance

and does not increase the Coverage A (Dwelling) limit of liability.

3. If not otherwise covered in this policy, building equipment and outdoor equipment used for the service of and located on the described location.
4. Maintenance equipment and supplies, floor coverings, window shades, refrigerators and stoves that you own as a landlord, located on the described location.
5. Other structures on the described location, set apart from the dwelling by clear space. This includes structures connected to the dwelling by only a fence, utility line or similar connection.

The total limit of liability for other structures is 10% of the Coverage A (Dwelling) limit of liability. This is not additional insurance and does not increase the Coverage A (Dwelling) limit of liability. We do not cover other structures used for business purposes.

6. Other structures specifically described in the Declarations. We do not cover other structures used for business purposes.

COVERAGE B (Personal Property)

We cover:

Personal property and business personal property owned or used by you or members of your family residing with you while it is on the described location. At your request, we will cover personal property owned by a guest or residence employee while the property is on the described location.

You may use up to 10% of the Coverage B (Personal Property) limit of liability for loss by windstorm or hail to personal property covered under Coverage B (Personal Property) while anywhere in the world. This coverage does not apply to business personal property or property of guests or residence employees. This is not additional insurance and does not increase the Coverage B (Personal Property) limit of liability.

At your request, you may use up to 10% of the Coverage B (Personal Property) limit of liability for loss by windstorm or hail to property of others while in your custody and located on the described

location. This is not additional insurance and does not increase the Coverage B (Personal Property) limit of liability.

1. Animals.
2. Money, currency or bullion.
3. Securities, deeds, or evidences of debt.
4. Records, books of records or manuscripts.

11. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due from the other insurance.

EXTENSIONS OF COVERAGE

1. Debris Removal.

We will pay your expense for the removal from the described location of:

- a. Debris of covered property if windstorm or hail causes the loss.
- b. A tree that has damaged covered property if windstorm or hail causes the tree to fall.

This does not increase the limit of liability that applies to the damaged property.

When insurance under another policy applies to the damaged property, we will pay only a proportion of debris removal expense, determined by dividing the limit of liability that applies to the damaged property on this policy by the total limit of liability that applies to the damaged property under both policies, and applying the resulting percentage to the debris removal expense.
