RE: Texas Windstorm Insurance Association Adjustments to Maximum Liability Limits

Dear Marilyn:

Section 2210.502(a) of the Texas Insurance Code states that, not later than September 30 of each year, the Texas Windstorm Insurance Association shall propose to the Commissioner inflation adjustments to its maximum liability limits at a rate that reflects any change in the BOECKH index.

On September 15, 2009, the Board of Directors of the Association approved the following adjustments:

	<u>Proposed</u> <u>2010</u>	<u>Current</u> <u>2009</u>
1. Dwellings and individually owned townhouses	\$1,773,000	\$1,705,000
2. Contents of an apartment, condominium, or townhouse	\$374,000	\$359,000
3. Commercial structures and associated contents	\$4,422,000	\$4,154,000

The limit of liability for governmental buildings and corporeal movable property shall be indexed and adjusted as provided for commercial structures and associated contents, per Texas Insurance Code Section 2210.502(d).

Supporting documents are attached.

We look forward to the Commissioner's approval of the proposed changes. If you or your staff have any questions or comments, please contact Jim Oliver or me.

Respectfully,

James C. Murphy
