**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 11-23-2020

Subject Considered:

Indemnity Insurance Company of North America
115 Wild Basin Road, Suite 207
Westlake Hills, Texas 78746-3347

Consent Order
DWC Enforcement File No. 23512

General remarks and official action taken:

This is a consent order with Indemnity Insurance Company of North America (Indemnity Insurance). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Indemnity Insurance.

Waiver

Indemnity Insurance acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Indemnity Insurance waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Indemnity Insurance holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to TEX. INS. CODE §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

2. Indemnity Insurance was classified as "average" tier in the 2007, 2009, 2010, 2012, 2014, 2016, and 2018 Performance Based Oversight (PBO) assessments.

Failure to Timely Initiate Payment of Temporary Income Benefits

3. On [REDACTED], Indemnity Insurance received notice of an injury to an employee.
4. The first day of disability for the injured employee began on [REDACTED]. The eighth day of disability accrued on [REDACTED].
5. Indemnity Insurance was required to initiate or dispute temporary income benefits (TIBs) either 15 days after it received written notice of the injury or seven days after the accrual date, whichever is later. In this case, the latest date was [REDACTED].
6. Indemnity Insurance issued the initial TIBs payment on November 20, 2019, which was 69 days late.

Assessment of Sanction

1. Failure to provide appropriate income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and

- other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; and other matters that justice may require, including the size of the company or practice.
 4. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act, as the insurance carrier relied on the injured employee's initial statement concerning returning to work. However, when the insurance carrier was made aware that the injured employee was actually missing work hours, the TIBs payment was issued promptly.
 5. Indemnity Insurance acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
 6. Indemnity Insurance acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
